III. GAME MECHANICS

There are a total of 5 worlds. These are 2 secret tests in each world. You are allowed 3 lives per player per game. A description of each world:

World 1:

First of all you will meet two men. Becareful of their "foot sweep"
Piling staggered: Becareful! Every stake will shoot a sword.

World 2:

Sometime they body punch with arms and kick with left toe. Wooden men: Jump and jump.
Don't fall for their dangerous tricks.

World 3:

The man seems terrible. Beware! He takes a powerful tulwar and you just use your "feat of strength" and foot sweep.
Big stone: You must continuously push A and B avoid the "Big Stone".

World 4:

That is the reason why you must go to the "dangerous pass" to search for treasures.
Dharma Mountain: Don't be nervous but careful in the woods.

World 5:

This is the last world. There are many kinds of waddy and tulwar scuffling you.
Burning Dragon: Every dragon around has powerful fire power.
Beware! This is the last dangerous pass.
Each life has 12 units of life force. Every time the master is hit by an enemy the life force is reduced by 1 unit and if hit with special force of boss then the life force is reduced by 2 units.
